BUS REGULATIONS AGREEMENT

Most of our students live a distance from school, making transportation a necessity. All students receive bus transportation. Proper behavior on the bus IS REQUIRED of all students for the safety for all passengers. The cooperation of parents is required to assure your child is safe to and from school. Riding the bus is a privilege.

To assist in this effort, the following rules are to be applied to all students riding the bus. These rules apply to field trips as well.

1. Pupils must be on time. The bus will not wait beyond the regular schedule for those who are tardy.
2. Pupils must obey the driver promptly and respectfully.
3. Students must never stand in the roadway and wait for the bus.
4. Conversation with the driver is unnecessary.
5. Ordinary conversation with classmates is permitted. Classroom conduct is to be observed.
6. Riders may not extend arms, legs, or heads out the window of the bus.
7. Riders may not move about or stand in the aisle while the bus is in motion.
8. Damage to the bus will be the responsibility of the parents of ANY child who defaces or damages a bus.
9. Do not throw anything out the bus windows.
10. Fighting on the bus is not permitted and will be considered a serious offense.
11. A student may be suspended from any bus by a school administrator for a serious offense.

I understand that my child _____ is to follow the above regulation and I can be held responsible for any damages done to the bus. I also understand failure to comply will result in my student being removed from bus transportation (KICKED OFF).
